## **Godinez High School Baseball**

**Thank you for your interest in the Godinez High School Baseball Business/Family Partners program.** We are excited to begin a new year at Godinez High School. Our baseball teams will be traveling throughout Southern California representing the Orange Coast League. We are beginning something new this year, and **this is where you come in.**

The baseball program is largely funded through boosters and fund-raisers the students do. Each member must raise money for practice clothes and equipment. The boosters have to raise approximately \$7500 for Summer League, tournaments, traveling, equipment, and the End of the year Banquet.

**We are offering business and family partnerships this year to help raise money for the baseball team member's individual accounts. This is how it works:**

- 1. You put a business card or message on this paper.  
2 lines: Business/Family name  
Address or Message-5 words or less**
- 2. Your information gets screened onto a T-shirt along with other partners.**
- 3. Your business/family name is seen at games, public appearances, practices and tournaments throughout the year.**
- 4. The baseball team receives 85% of the money you pay for the advertisement.**
- 5. You will immediately receive a receipt for tax purposes and a certificate of thanks for your business/family as well.**

Easy enough! Just like that you can become a partner and receive advertising all year from the Godinez High School Baseball Team. **That is over 50 people wearing your name on their shirt throughout Orange County, and the cost is only \$25.00.** If you are interested please fill out the attached form.

**Thank you again for your interest in our baseball program!**
